\*unit of measure in inches

## The sizing chart reference body measurements in inches.

### Chest

Under the arms and across the shoulder blades with a firm and level tape.

### Hip

When standing, measure around the widest part of the hip.

### Sleeve length

Relax arm, and measure from the centre of the back of the neck, over the shoulder and down to the outer wrist.

### Waist

Measure around your natural waistline, while in your underwear. Keep one finger between the tape and your body for an accurate fit.

### Inseam

Select a pair of your best-fitting pants of a similar material. Measure from the crotch to the bottom. The number of inches, to the nearest half-inch, is the inseam length.
